Master is massive, big bodied, big hiped and well balanced with the look of a herdbull. His sire was Champion at the NCC for Valley Creek Ranch. Gold Strike has left us some nice females in production and produced several Herdbulls. His dam, 045, is the mother of our herdbulls, 'Recruit' and 'MR. Beef 9045'. 9045 was a Denver high seller to Okley, Fair Arces, Monahan and Jensen's. 045 has longevity like most 412T daughters and she kept producing up til she was 17 Master's full sister will sell in Ft. Worth.

Here is a natural calf out of Kathy, our two time National Champion Female, winning Reno and Fort Worth last year. 801 is a nice designed bull that will add pounds to your calves. First calf reports are in on S109 and are very consistent. Be one of the first to own a son!

820 is a complete package. He has heavy muscle, a moderate frame and high milk! This is a very stylish made bull that has solid carcass EPDs. His mother is a beautiful cow that won her class at Junior Nationals a few years ago and is doing a great job! His sire, 4231, sired some fall calves for Upstream Ranch that indexed 107 for REA and 120 for IMF in their herd. This bull will work well anywhere!

748 was pasture exposed to K&B Headline 6147S from November 11 til February 15. She's bred to a calving ease bull for a fall calving date. "Lolly" is a special heifer with that great showy look to her. We had to work real hard on Justin to let us add her to this sale. She's stout, deep ribbed and flanked. She's definitely a thick and sweet fronted, show steer mama deluxe.
