Don't miss out on this bull! He's an ultra sound, super easy fleshing bull, loaded with top, shape and lower quarter. His sire, Scotch On The Rocks, has been getting rave reviews this year with his first calves hitting the ground and putting on the pounds. 820's dam was shown at the 2006 National Junior Limousin Show and was Reserve in her division of the Bred and Owned Show. Ultimate will help you turn pounds into profit with his calves.

Here is a perfect example of the power and performance of Lim-Flex hybrids. He is sired by Mytty In Focus, the Angus bull who ranks in the top 10% of the breed for calving ease, weaning weight and yearling growth. Undeniable puts a lot of pounds in a moderate framed, easy fleshing, structurally sound package. Here is a bull that has a lot to offer performance-oriented cattlemen!

Here is a full brother to Schilling's Senior, pictured. Senior is now down in Texas breeding cows for Davis Limousin. If you're wondering what kind of calves this guy can produce, look at our other sale lot, Schilling's Urlacher.

# Limousin

Unafraid is a full brother to Senor and Unified. Here is one that once you get him home, you are going to call everybody you know to come look at your new bull. Just wait till you get his calves on the ground.

749T was AI bred to JCL Lodestar on May 23 and pasture exposed to BCRR Optima 797T from June to July. She is a nice heifer from a deep cow family that has always been exceptional. Her dam is a solid producer with a 1015 MPPA. Her granddam was a Pack Leader daughter.

Unimaginable is a moderate framed, deep bodied, structurally sound, Lim-Flex, 3/4 blood female, sired by the Naskar son that is generating some real excitement in the Limousin breed. Here's a female that will make a great Junior project and a very functional brood cow!

Here's a double black heifer that will turn heads. She is very feminine and yet retains plenty of rib and body length.

Sired by the 2001 Supreme Champion Bull at the World Beef Expo and a super deep bodied, black Angus cow, Upper Cut will turn some heads as a show heifer and then work well in the pasture as a cow. She's feminine fronted with a long, level top. She also offers a ton of rib shape. This heifer has 'COW' written all over her.

8106U is a fancy female that will benefit anyone's herd. She's out of the 2001 Supreme Champion Bull at the World Beef Expo and a Red Angus cow that has been very productive for our herd. If you are looking for a sound footed, fancy female with some muscle, this is the heifer for you!
