GEF Open Bar	GVC Whitney 892H	
GEF Miss Impact 100	Calberta Black Impact	

Registered Angus

BW: 79 Unassisted; Adj. 205 WT: 702
24U is a daughter of the famous Open Bar. This female could very well end up in a donor program. Don't miss this opportunity to own this great female.

BW: 77 Unassisted
87U is a very fancy, extra long sided Ali daughter out of a first calf Meyer that we purchased as a bred heifer at the top of Teets Farm's 'Mountain Magic' Production Sale in West Virginia. A full sib to her dam topped their 2006 sale also. She has predictable genetics in an eye appealing package. This entry is consigned by K-Kim Cattle and Tyson Vogt.

BW: 92 Unassisted; TH Free; PHA Free
Here is a really cool fronted, long necked, squared hipped heifer. She is dual registered as MainTainer and as a Chimaine, so if you are looking for a heifer to go to Junior Nationals in two breeds, be sure to take the time to find her.

BW: 80 Unassisted; Adj. 205 WT: 551; TH Carrier; PHA Free
This super, red, MaineTainer heifer is ready for the Junior Show. She is a super thick, super gentle heifer with lots of hair, that will work for the younger kids. When she is done with the shows, she will be a cow that will produce show prospects year after year.

Angus

BW: 95 Unassisted
It was a no brainer to bring this heifer to the Classic. She was a favorite among all the visitors to our farm this year. With her growth, muscle shape and conformation, she's pleasing to the eye, and definitely one you will want to keep!
