Sellers must provide all information on the embryos, flushes, semen and pregnancies offered for sale. All settlements will be made the day of the sale at the Nebraska Cattlemen's Classic. All guarantees and adjustments will be between the buyer and seller.

Embryo Packages

A lot will be an offering of 3 embryos. All embryos are Grade #1 and are fully guaranteed to consist of their respective mating described herein. Due to the nature of this event and the wide range and geographical locations of buyers and sellers involved, the only guarantee of the conception rate, would be in the situation of the buyer uses an embryo technician that is agreed upon by the seller and the buyer informs the seller of his intentions prior to implanting the embryos, at least one pregnancy will be guaranteed per three embryos sold. If the buyer takes the embryos and implants them on his own terms, terms, there is no guarantees. In all cases, the buyer will be responsible for all shipping arrangements and expense.

Pregnant Recipients

In the case of already realized pregnancies (i.e. embryos that have been implanted and confirmed pregnant) the buyer will pay 100% of the purchase price sale day. Each of these recipient females has been examined for pregnancy by a qualified vet and is fully guaranteed to be carrying the mating described in its respective lot on or about the time agreed upon by the buyer and the seller. All "sexed pregnancies" are fully guaranteed to be carrying the calf sex as determined in this catalog or as selected by the buyer. No guarantee, expressed or implied, is made as to a live calf, calf quality, or recipient value. In all cases transportation will be the responsibility of the buyer in cooperation with the seller. The seller will outline the details of offering the lot information in the catalog.

The Right to Flush

All lots described as "The Right to Flush" will carry the following guarantee. In all situations, a minimum of six grade one, transferable embryos are guaranteed to the buyer. In the event of any cow failing to produce the minimum number of embryos (6), the buyer will have the option of flushing the cow again until the minimum, and only the minimum number of embryos (6) is fulfilled, or the buyer may elect to have their money returned to them based on a prorated price per embryo, as determined by the auction price of the flush. This will remain between the buyer and seller. In all cases the buyer will assume the expense associated with the embryo flush and semen. The location and the technician used for the flushing procedure will be the choice of the seller and in most cases will be announced at the sale. Unless stated otherwise, the buyer will have the right to flush the female as soon as she is available. Each lot will have specific details on each female.

Semen

All semen is guaranteed to be of acceptable quality but no guarantee is made as to the conception rate. However, in all cases, the buyer will be responsible for all shipping arrangements and expense.
